

# Joint Meeting of LE Symposium & ECTI BME

**SICE Life Engineering Symposium 2019**

**Thailand ECTI Biomedical Engineering**

**August 23-25, 2019, Asia Hotel, Bangkok Thailand**

## Call for papers

It is our honor to invite you to a joint meeting of LE symposium 2019 and ECTI Biomedical Engineering which will be held in Bangkok in Thailand from August 23rd to 25th, 2019.

LE Symposium is organized by the Life Engineering division in the Society of Instrument and Control Engineers (SICE) Japan. In this year, LE symposium is planned as a joint meeting with ECTI Biomedical Engineering (Electrical Engineering/Electronics, Computer, Telecommunications and Information Technology Association of Thailand).

We would like to cordially invite you to attend the joint conference, actively participate in its scientific sessions. Up-to date information on all aspects of the conference can be found on the conference webpage.

Date : August 23-25, 2019

Place : Asia Hotel, Bangkok, Thailand

Web : <https://www.sice.or.jp/org/le-symposium/2019/>

Proposal of Organized Session	<b>May 20 2019</b>
Submission for Regular Papers	<b>June 10, 2019</b>
Application deadline for Paper Award	<b>July 1, 2019</b>
Submission of Final Camera-ready Papers	<b>July 8, 2019</b>

Contributions are invited on any aspect of Biomedical Engineering and Life Engineering. Topics of interest include, but are not limited to:

- Biomedical Signal Processing
- Biomedical Imaging and Image Processing
- Micro/Nano-bioengineering and Cellular/Tissue Engineering & Biomaterials
- Computational Systems, Modeling and Simulation in Medicine, Multiscale Modeling, Synthetic Biology
- Cardiovascular and Respiratory Systems Engineering
- Neural and Rehabilitation Engineering
- Bio-Robotics and Biomechanics
- Therapeutic and Diagnostic Systems and Technologies
- Biomedical and Health Informatics

### General Co-Chairs

Keiji Iramina, Kyushu University, Japan

Yodchanan Wongsawat, Mahidol University, Thailand

### Contact

Keiji Iramina

Department of Systems Life Sciences, Kyushu University
