<<Only for people requiring entry visas to Japan>>

VISA INFORMATION FORM

All citizens who are required to apply for visas to enter Japan must apply in person at the Japanese Embassy or Consulate in their countries. This form is not a visa application, however, in order to receive the necessary documents for applications, SICE must submit the following information to the Japanese Ministry of Foreign Affairs. Without this complete information, it will not be able to apply for your visa. In order for these documents to be issued in time for you to apply for your visa before the conference, it is imperative that this form be returned to the Secretariat at the address below as soon as possible. Please keep in mind that it can take more than one month for your visa to be processed.
